Center for Learning Families,

Please be advised that Thursday, September 17, 2026, will be a half day of school for students at The Center for Learning.

Due to anticipated traffic changes and increased congestion in the area related to the Buffalo Bills game, we are adjusting our school day to help ensure that our students arrive home safely and in a timely manner.

Student dismissal will begin at 11:30 a.m.

We have communicated this schedule change with the transportation departments and school districts serving our students. Families who provide their own transportation or pick up their child should also plan accordingly.

Thank you for your understanding and cooperation as we work to ensure a safe and smooth dismissal for all students.
