

A NOTE FROM CENTER FOR LEARNING LEADERSHIP

Spring into Action!

Welcome to March's newsletter!

INSIDE THIS EDITION

- **Winter Olympics Closing Ceremony**
- **Every1 Camp**
- **Behavior Assessment Workshop**

As the winter chill fades in Western New York, March brings a welcome sense of renewal. At Aspire of WNY, this season of rebirth reminds us of the immense potential within our community. Just as nature prepares to bloom, we are stepping into this month with refreshed purpose and a commitment to fostering new opportunities.

This month, we are focusing on the unique motivation that comes with a fresh start. Now is the perfect time to harness that seasonal energy to push past boundaries and cultivate the goals we've worked toward all winter. Let's make this spring a season of incredible progress and shared achievement together. Thank you!

Winter Olympics End with a Bang at the CFL!

With the Winter Olympics recently coming to an end, we wanted to share a fun project that the students at our Center for Learning (CFL) were working on during the games! Each classroom was assigned a country and tracked their medal count throughout the Olympics.

During the Closing Ceremonies, students celebrated with their own party to recognize their country's accomplishments and to pass the final torch!

This activity was a fun way for students to learn about teamwork, countries around the world, and the excitement of the Olympics!

UNDERSTANDING THE ROLE & IMPORTANCE OF FUNCTIONAL BEHAVIOR ASSESSMENT AND BEHAVIOR INTERVENTION PLAN IN YOUR CHILD'S IEP

This presentation is designed to help parents and professionals understand what a Functional Behavior Assessment (FBA) and a Behavior Intervention Plan (BIP) are, how they fit into a child's Individualized Education Plan (IEP), and how these tools work together to support a child's behavior at school.

Participants will learn when it may be appropriate to request the FBA/BIP process, what behaviors may indicate the need for additional support, and how schools use assessment information to better understand and respond to a child's needs.

The session will also cover effective progress monitoring how schools track whether behavior supports are working, how to measure success, and

how often data should be reviewed. Families and professionals will leave with practical knowledge to help them meaningfully participate in planning, implementing, and reviewing behavior supports for their child.

Aspire of WNY's Center for Learning leadership team encourages parents/guardians of our students to attend this incredible session put on by ADAPT Community Network!
